5:00 pm	Possible rest stop at Lake Charles, TX (HEAD COUNT)
10:00 pm	Arrival back at Austin High School

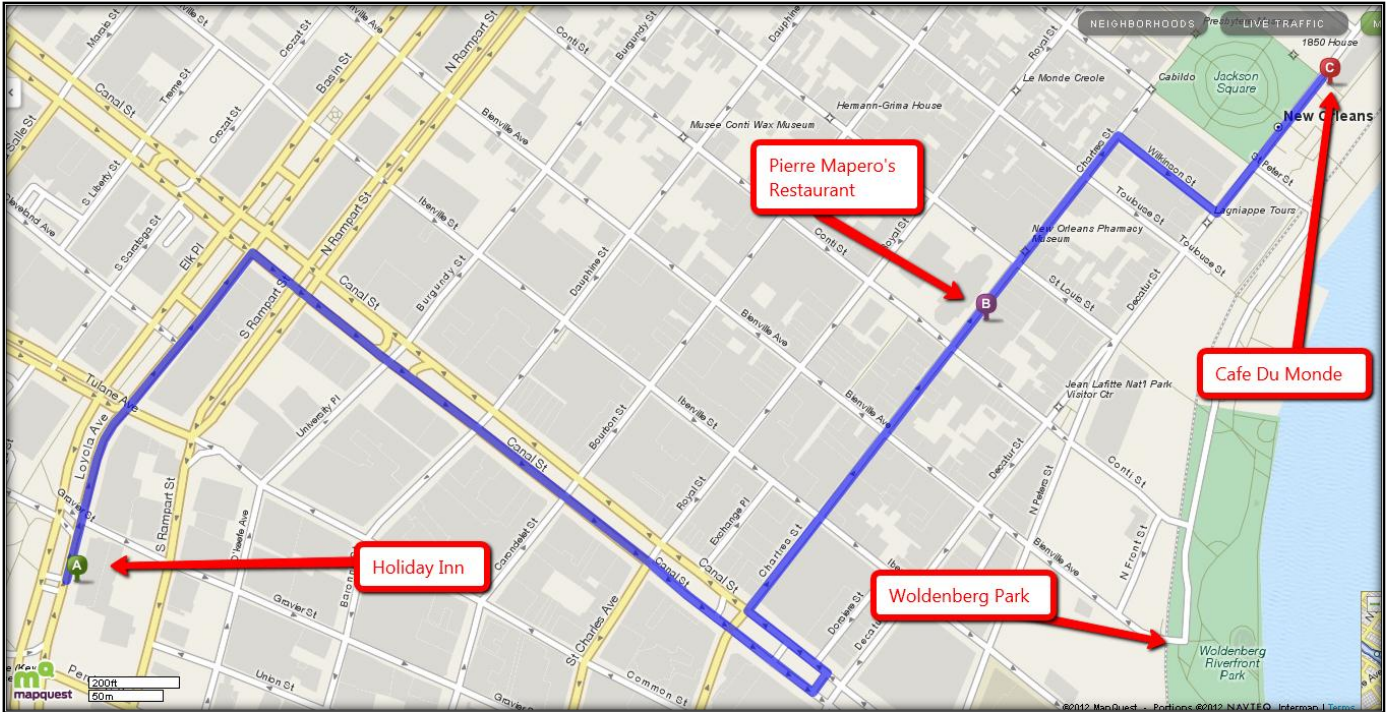

Notes:

Whenever it says "Head Count," chaperones will gather their small group of students around them and ensure all students are present. One way to get all students to move quickly into small groups is to say "Chaperone up!" Teachers and students can also think of interesting names for their groups so they can call out their group names to let students know where they are located.
